

Driving Instructions to ***Britain on the Green*** April 29, 2007

From PG, Maryland (Beltway Inner Loop):

- From the Capital Beltway, take Route 1 South (toward Ft. Belvoir). *The first traffic light is Fort Hunt Road, but the jughandle for a left turn is closed for construction. So, ...*
- At the second light, turn LEFT on Huntington Avenue and follow about 2/10 mile to Fort Hunt Road. Turn RIGHT on Fort Hunt Road.
- Proceed on Ft. Hunt Rd. for about 6/10 mile. Turn LEFT at the light onto Belle Haven Road.
- Follow Belle Haven Road (carefully, speed trap!!) for about 1/2 mile until it ends at the George Washington Parkway. Turn RIGHT onto the parkway.
- Follow the GW Parkway approximately 3.4 miles to the East Boulevard Drive/Collingwood Road interchange. Turn LEFT at East Boulevard Drive exit (note that this is the SECOND East Boulevard Drive Exit; Collingwood Road is to the right). Make an immediate right, and Collingwood is in front of you.

From Virginia, Maryland (Beltway Outer Loop):

- Although the GW parkway will not be closed this year, construction at Route 1 interchange is messy, So, we recommend the following route:
- From the Capital Beltway, take Telegraph Road South. Do NOT turn onto Telegraph Road. Rater, go STRAIGHT on Huntington Avenue and follow across Route 1 about 2/10 mile to Fort Hunt Road. Turn RIGHT on Fort Hunt Road. Continue as above.

From Points South:

- Enter the GW Parkway via Mount Vernon Highway from Route 1 (just north of Fort Belvoir, directly across from the entrance to Woodlawn). Turn RIGHT onto Mt. Vernon Highway.
- Proceed past Mount Vernon onto the GW Parkway North. Continue about 4.1 miles past the circle.
- Turn RIGHT at East Boulevard Drive exit. Make an immediate RIGHT, and Collingwood is in front of you.

The gates to the show will open at 9:30 AM.

The address for Collingwood Library is: 8301 East Boulevard Drive, Alexandria, VA 22308-1399. If you'd like, access MapQuest.com for more possible routes.
